Dear Waterworks Owner/Operator:

**RE: Rescinding - Precautionary Drinking Water Advisory**

The Water Security Agency, in consultation with the Five Hills Health Region, is advising that the **"Precautionary Drinking Water Advisory" (PDWA)** issued by the Water Security Agency for the **Village of Briercrest potable water system has been rescinded on May 1, 2018.**

The rescinding of the PDWA was based upon information provided by your community, which included:

- The turbidity in the system is within regulatory requirements;
- Chlorine residuals throughout the WTP and distribution system are within regulatory requirements; and
- Bacteriological sampling is within regulatory limits.

Your community may return to normal monitoring requirements as identified in your permits monitoring schedule.

In closing, I would like to acknowledge that the Water Security Agency appreciates the efforts and cooperation demonstrated by staff at your water treatment plant, as well as officials of the Village of Briercrest in addressing the advisory.

Should you have any questions or concerns, please call me at (306) 694-3939.

Sincerely,

A handwritten signature in blue ink that reads "Lauren Daly".
